

Christmas Giving Program Sponsorship Opportunities

Christmas can be a very difficult time for some Wishing Star families. Whether they are struggling financially, don't have time to shop because their child is in the hospital receiving care or it's the first Christmas since their child passed, Wishing Star wants to support them. We find sponsors who donate their time and/or support the families financially. This is the perfect way to give back this holiday season! As a Sponsor we ask for help with the shopping, gift wrapping and sometimes the delivery of the gifts. If you want to become a sponsor but don't have time to shop or wrap – No problem! Wishing Star volunteers step up each year to help, so you can simply note on the application form that you will not be able to shop or wrap. Through the support of our Sponsors and Volunteers we can make the holidays an amazing time of year for all of our Wish Families!

Sponsorship Opportunities

How can I get involved?

Sign up to sponsor a Wish Family for the holidays!

Each family receives a \$150 towards a family dinner as well as \$150 per person. *The \$150 per person breakdown is \$75 on a practical gift and \$75 towards a fun gift for each person.*

For example, a family of 4 people would be \$750 (\$150 per person plus the \$150 for the family dinner).

Please apply by Monday November 7th as we plan to match Wish Kids & Families with Sponsors by Monday November 14th.
